From the President's Desk

Happy 2026 to all! Thanks to the Social Committee for organizing a social time at our December meeting. It is also nice to share time with each other over sweets and good cheer. Hopefully your days will start to calm down and you can spend time working on your many quilting projects that you are planning to complete over the winter months.

Be sure to include time at Pauline's Place. It is always filled with happy conversation and busy people working on community quilts and dog beds. If the weather does not allow you to get out, take the opportunity to link by Zoom meetings with specialty groups. It is a great way to get to know people.

These days I seem to spend a lot of time watching the weather for safe travel days. While I prefer in person meetings, zoom meetings allow us to meet even when the weather is stormy. A couple of years ago I didn't know the Zoom option existed. This Christmas a Zoom call allowed a visit from my son and grandson, who are reservists and are deployed to a NATO base in Latvia.

The Bluewater Quilters Guild will have the pleasure of welcoming members of the Dufferin Piecemakers Guild, who will join our January and February Zoom meetings. As a small guild, finding guest speakers can be a challenge. We are very happy to share our Zoom meeting with them. *Sharon*

COMMUNITY OUTREACH

HAPPY NEW YEAR!

What are your 'Quilty' plans for 2026?

We want to remind you that the fabric stash at Pauline's Place is wonderfully extensive and curated! If you are looking for a project, and happy to spend the time benefiting community, do we have a proposition for YOU!

At the December meeting we had kits made up of 2 1/2" squares to make Gumdrops/Lifesaver blocks. It was so gratifying to see all of them find a partner! And some of those blocks have already returned to us. We plan to continue to have block kits available to anyone wishing to pick up at Pauline's Place. We are here on Tuesday and Thursday and would be so happy to see you.

Each block is made as a 9 patch, with a white square in the middle, as seen in the picture to the right. The plan is to gather all your blocks and build them into quilts. The plan is to have a Sew Day workshop on a Saturday or Sunday to construct these flimsies, possibly in the latter part of the winter.

ACTIVITY MATS AND MUFFS

We are still producing Activity mats and muffs for Alzheimer, Nursing homes and the ER department. Please remember the **FIDGET FRIDAYS**. Check the website calendar for specific dates. Please come out and enjoy a creative day with friends.

- Anyone with scraps of yarn they could donate, it would be appreciated.
- Any supplies for making either fidget mats or muffs are available for pick up. There are mat kits also available at Pauline's Place.
- If you would prefer to do some construction for mat components on your own, please drop in to Pauline's Place for instructions and supplies.

Spotlight on Colleen Hunterby Ellen Crymble

Put up your hand if you can say you still have your first pin cushion. Colleen Hunter can vouch for the fact she still has hers. Colleen joined 4H and started quilting in Junior High school and High school in Guelph. Her first quilting project was a bag using the Sun Bonnet Sue pattern. Colleen considers herself an avid crafter as well as enthusiastic quilter. She does embroidery, crochet, latch hooking to make rugs etc. Basically her hands are always in motion.

Colleen belonged to the Royal City Guild in Guelph for many years but once a new group formed, the Guelph Guild, she decided to join that. She soon joined the executive and worked with the Outreach Committee. This group provided quilts to the Sexual Assault and Domestic Violence Department of the Guelph Hospital

Colleen owned a cottage at Hope Bay and when it came time to retire she took the big leap and tore the cottage down. She had a retirement home built and in the plans was a quilt studio in the basement. In 2003 she took a quilting course from Sandra Thomas. The class used a book called Block by Block which was comprised of 6-8 sample blocks which were used to make a baby quilt. Her quilting journey began in earnest then.

Since her move to Hope Bay she also joined the Tea Time Quilters in Lions' Head. She purchased a long arm quilting machine and tries to do 3-4 Community Quilts per month. She just recently finished one of Fran Caple's quilts. Colleen's grandmother quilted but her mother decided to skip that craft. Colleen has watched quilters and they were eager to show her how to do things, teach her new patterns and help her refine her quilting techniques. She has taken lots of workshops. She tried paper piecing which she discovered is not her favourite and the project is still in her UFO box. Perhaps one day she will finish it. She loves any scrappy Quilt pattern and has no favourite block or pattern.

Colleen joined the Bluewater Quilters' Guild in 2022 and this year Colleen volunteered to be our Vice President. She brings her experience from her other two guilds to the Executive. She recommends that new quilters should just "get started" making quilts. Ask for help. Watch others and learn from them. Attend workshops and sew days so you can get to know the members. She has already met lots of new people just by doing that. We welcome Colleen to the Executive of our Board and look forward to her new ideas that she can offer.
