My apologies for disappearing in March. I had some medical (vision) issues that I needed to attend to and computer work was very challenging. As a result, I am turning over the CQA Ontario West Regional Representative role to Ruthanne Finnigan. She will be your new CQA Representative. Her email address is rfinnigan@rogers.com and lives in Guelph.

QUILT CANADA 2026

Quilt Canada 2026 in Winnipeg was a fabulous event. Hope some of you were able to attend.

Check out the award winning quilts on the Canadian Quilter website at canadianquilter.com.

Quilt Canada 2027 will be held June 16 to 19 in Calgary, Alberta at the BMO Centre in Stampede Park. Plan your trip now.

Wishing all the Ontario West guilds a fabulous year as our quilting guild meetings start to meet again this fall. I have enjoyed working with all of you!

Ruthanne will be reaching out to make sure she has the correct email address for your guild and that there have not been any changes.

The new **CQA/ACC Quilt Judge Certification Program** was unveiled this summer. Go to the CQA website and click **Judging** to learn more about the program.
